A COUPLE QUICK QUESTIONS...

We have found . . . that when we learn more about ourselves, why we think the way we think, why we act the way we act, and why we are attracted to the people we are, that it will change our lives.

Pass this postcard along to others who may be interested in better understanding themselves.

Request a free white paper online and you'll discover some pretty amazing things which will help you to better understand yourself, improve relationships, advance your career, and better understand how to achieve your full potential.

Answer the following questions for yourself, and go to the QR (Quick Response Code) to find out how understanding your personality may help you discover how you approach relationships all around you.

Rank each set 1 to 4, 1 being the most:

* Which of the following shapes would you tend to like the most?

* Which of these four things would tend to cause you the most frustration?

- ___ A. Not being done properly /out of order
- ___ B. Out of control
- ___ C. Boring and/or not fun

How do you think differently than those around you and how can you get along better and accomplish more... in work, relationships, community, family... and anyone you meet along the way?

How can we make more of a difference in the lives of others?

It all starts with a few simple questions here and connecting with others that can help.

We are excited to offer this resource to help others in our world see greater success in every area of their lives.

We can accomplish far more together than we ever could on our own.

We look forward to connecting...

There is no cost to participate in Coffee Connections. Connect once a week over coffee, with other local business owners / professionals, network, mastermind and partner. We can accomplish far more together than we ever could on our own.

We have partnered with a non profit organization, Life Masteries Institute, to provide resources to guide us through learning how to partner with one another.

Please pass this card along to others who may be interested in learning how to work together to build systems which will help us to earn more, work less, have less stress and greater life balance in every area of our lives.
